#### *Your Father's Name*

You got it from your Father , It was all he had to give ,  
So it's yours to use and cherish , For as long as you may live .  
If you lose the watch he gave you , It can always be replaced .  
But a black mark on your name , Son , Can never be erased .  
It was clean the day you took it , And a worthy name to bear .  
When he got it from his Father , There was no dishonor there .  
So make sure you guard it wisely , After all is said and done .  
You'll be glad the name is spotless , When you give it to your Son .
